Dear Mother & folks May 30. 1945

How is everyone these days? I'm O.K. & still in the M.P.'s. My ears are pretty good now & don't trouble me very much.

The troops are beginning to move north. many are on their way home & alot will head straight to the Pacific. Guess we will start moving real soon. Don't think there is any chance of us hitting the states. By August I expect to be down in the same part of the world as Milt.

Had a letter from Frank written on the 27th of April. He was still O.K. & expected to head for home soon. He said he would pay you all a visit if he had time so

be on the look out for him. He probably will be sent down to the Caribbean with the rest only hope they give him a head and let him stay in the states.

Received the who's who book a thanks very much also got a letter from John Sue am happy he is doing so good. Will write him real soon. thanks for the clippings I have been receiving really enjoy them

I was very surprised to learn about Agnes engagment to Freddie Guess they'll all be married by the time I get home. Must close for tonight. Please write soon.

Love to all

"Dick"
